6, 12 or 18 Month Optional Service Agreement

If **You** selected a 6, 12 or 18 month Optional Service Agreement (OSA) and **You** have paid **Us** the applicable OSA charge, **We** agree with **You** as follows:

All terms and conditions stated in the LKQ Heavy Truck Parts Replacement Promise attached to **Your** original invoice apply to this OSA, subject to the following terms and conditions:

1. For 6, 12 or 18 month coverage, this OSA begins on the date of **Your** original invoice and shall end 6, 12 or 18 months after **Your** original invoice date and covers the repair or replacement (as applicable) of the **Part** or **Assembly** described on **Your** original invoice.
2. **We** have no obligations to anyone except to the customer named on the original invoice. This OSA is (a) non-transferable, and (b) non-refundable after the **Part** or **Assembly** has been installed in a vehicle.
3. This OSA covers labor of an **Assembly** (excluding **Parts**) only to the extent described in the definition of **Labor** and provided **You** purchase such applicable OSA.
4. For this OSA to be valid, **Your** original paid invoice must indicate (a) the coverage period of 6, 12, or 18 months, and (b) the accurate odometer mileage of **Your** vehicle as of the date of the invoice.
5. Mileage is limited as follows during the applicable OSA period:
 - If **You** purchased 6 months of OSA coverage, the OSA will terminate on the earlier of 6 months after the date of **Your** original invoice or 50,000 additional miles on **Your** vehicle's odometer.
 - If **You** purchased 12 months of OSA coverage, the OSA will terminate on the earlier of 12 months after the date of **Your** original invoice or 100,000 additional miles on **Your** vehicle's odometer.
 - If **You** purchased 18 months of OSA coverage, the OSA will terminate on the earlier of 18 months after the date of **Your** original invoice or 200,000 additional miles on **Your** vehicle's odometer.

We have no obligations to provide OSA coverage if the mileage limitations described above are exceeded.

In addition, **Donor Vehicles** with odometer readings that exceed the following mileages are ineligible for an OSA without the prior written approval of an **LKQ** Plant Manager:

- Small bore engine (less than 9 liters): 250,000 miles
- Large bore engine (greater than or equal to 9 liters): 700,000 miles
